Slide notes: Any Period in the system may be queried as to it's history.

Slide 2

Slide notes: And we can also query the Active Period record, to see when any Period has become the Active Period.

The screenshot shows a window titled "IES Client v8.29 : My IES" with a menu bar (Help, Submit, Quit, Functions, Commands) and a toolbar. The main content area is titled "Period Status Query" and contains a form with "Period" set to "activeperiod" and "None" selected. Below the form is a table with columns: Action, Date, Time, Operator, and Description. The table lists 19 actions from 2008 to 2010, all performed by "Nico".
