

Slide 1

Slide notes: The Calculation of an Asset Depreciation Future Forecast is done automatically by the system whenever we choose to perform it.

Slide 2

Slide notes: There is no danger in performing it again and again. All that is overwritten is any prior Calculation of the Forecast itself. No Budgets or Depreciation Data are affected.

Slide 3
Slide notes:

Slide 4

Slide notes: The system advises when the process is complete, and then we may produce the Reports and Data Export.
