Slide notes

When we do not qualify as part of the ownership group, then we cannot perform changes to the Report that can be saved.

Slide 5 - Slide 5

Slide notes

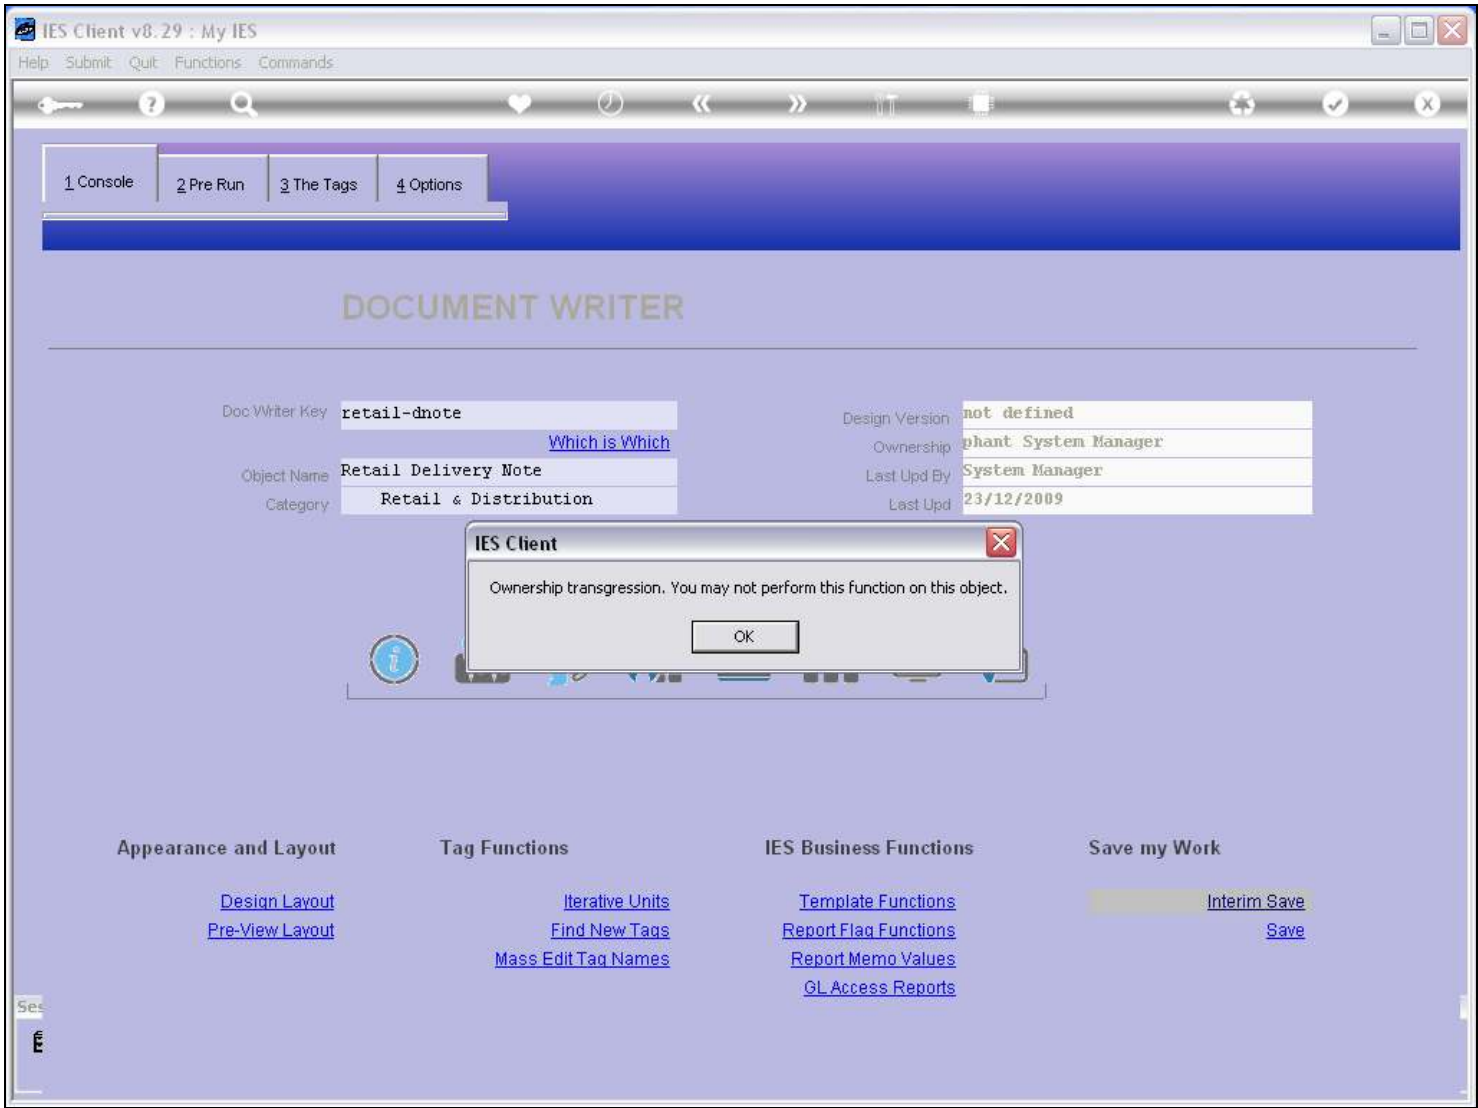

Of course we can use the Report, and even copy it, we just cannot perform or save changes.

In the next example, the Report is in public ownership. That means that anybody with access to DocWriter in this Datamart can work with the Report, and change it, and save it.

Slide 12 - Slide 12**Slide notes**

The Ownership function will allow us to change the ownership status.

Slide 13 - Slide 13**Slide notes**

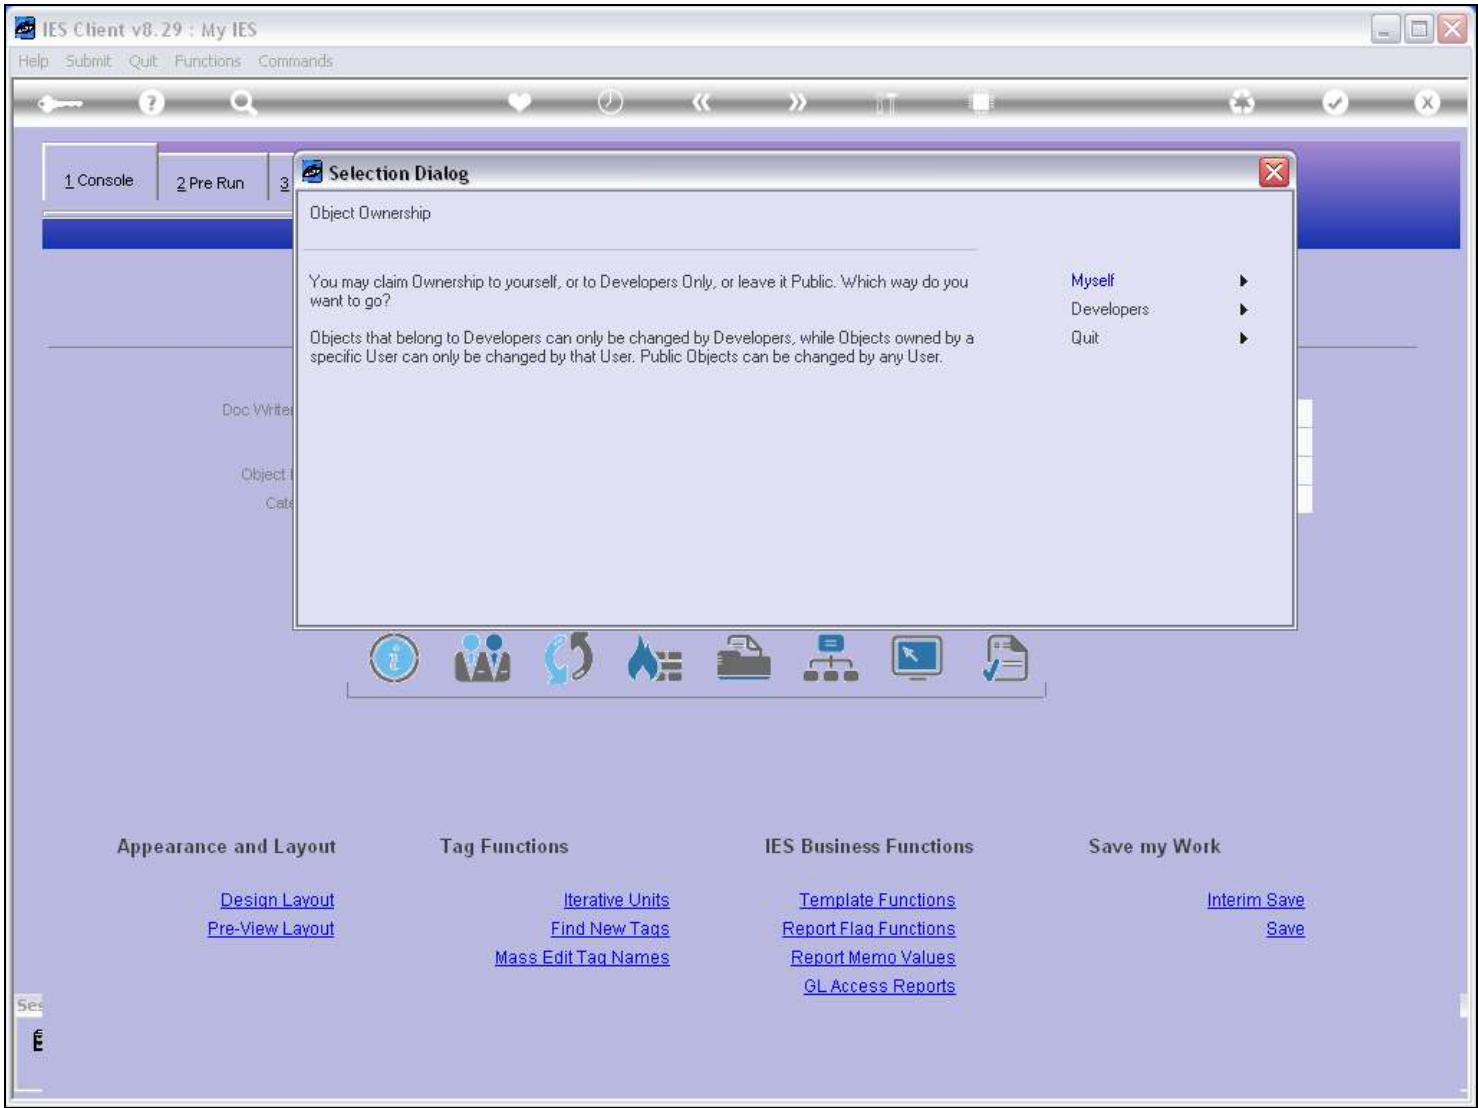

As long as the ownership is not currently out of reach, we may introduce a new ownership setting.

Slide 16 - Slide 16

Slide notes

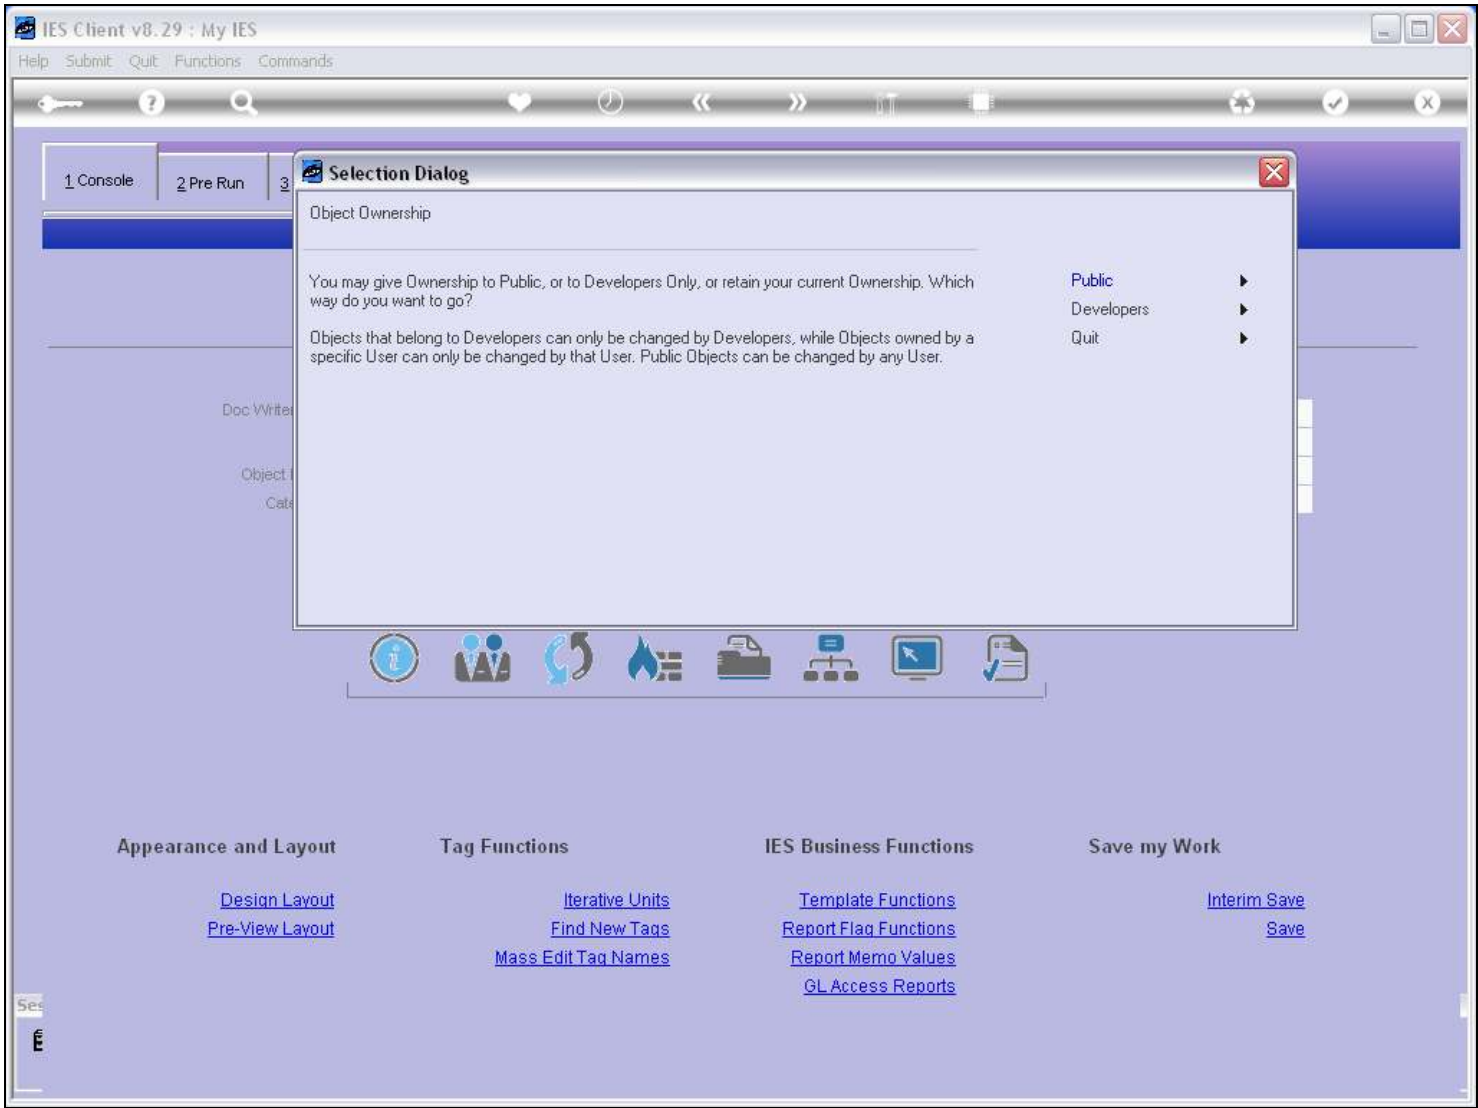

When I choose to own the Report myself, then no other User can change this Report, although they may use and / or copy it.
