Slide 1

Slide notes: The Customer Order, during Contact Call, has a useful 'Save for Later' function. If, for any reason, we need to leave a partially completed Order, and do not wish to lose that Order while we exit the Order process for the time being, then we can choose 'Save for Later'.

Slide 2

Slide notes: So, here we have exited the Order process. We can even exit the Contact Call completely, and the next time we return to this Customer Contact Call, and choose the 'Order' function, then the system will automatically have the previous partially completed Order available again.
