

## Slide 1

Slide notes: At Distribution, we have a Master Register of Delivery Trucks used for Distribution.

Slide 2

Slide notes:

The screenshot shows a web browser window titled "IES Client(Q) v8.24 : My IES". The browser's address bar is empty, and the menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The browser's toolbar contains icons for back, forward, home, and search. The main content area displays a form titled "Delivery Truck" in a blue header. The form fields are as follows:

Field	Value
Truck Key	
Description	
Crate Capacity	0
Cash Account	
Mobile Store	

A "Save" link is located to the right of the "Truck Key" field. The bottom left corner of the browser window shows a "Sex" dropdown menu with "E" selected.

Slide 3

Slide notes:

The screenshot shows a web application window titled "IES Client(Q) v8.24 : My IES". The window has a menu bar with "Help", "Submit", "Quit", "Functions", and "Commands". Below the menu is a toolbar with icons for search, help, and navigation. The main content area has a blue header with the text "Delivery Truck". The 'Description' field contains the value 'Truck 21'. The 'Crate Capacity' field contains the value '100'. The 'Cash Account' field contains the value '10-00-00-84d Cash Account: Truck 21'. The 'Mobile Store' field contains the value '21 Truck 21'. A 'Save' button is located to the right of the 'Truck Key' field.

Truck Key	21
Description	Truck 21
Crate Capacity	100
Cash Account	10-00-00-84d Cash Account: Truck 21
Mobile Store	21 Truck 21

## Slide 8

Slide notes: However, if the Truck will be used for Deliveries on the Truck Dispatch method, then the Truck also needs a Crate Capacity, a Cash Account and a Mobile Store number. The Crate Capacity is used in planning the Delivery, and how much can be included in 1 Delivery trip.

The screenshot shows the IES Client v8.24 interface. The title bar reads 'IES Client(Q) v8.24 : My IES'. The menu bar includes 'Help', 'Submit', 'Quit', 'Functions', and 'Commands'. The toolbar contains icons for help, search, heart, clock, navigation, and other functions. The main window has a blue header with the text 'Delivery Truck'. Below the header, there are several input fields and a 'Save' button. The fields are labeled 'Truck Key', 'Description', 'Crate Capacity', 'Cash Account', and 'Mobile Store'. The values entered are '21', 'Truck 21', '100', '10-00-00-84d Cash Account: Truck 21', and '21 Truck 21' respectively. A 'Save' button is located in the top right corner of the form area.

Truck Key	21
Description	Truck 21
Crate Capacity	100
Cash Account	10-00-00-84d Cash Account: Truck 21
Mobile Store	21 Truck 21

Slide 9

Slide notes: The Cash Account is used for Cash Up of monies received during delivery of COD Orders.

The screenshot shows a web browser window titled 'IES Client(Q) v8.24 : My IES'. The browser's address bar is empty, and the page has a blue header with the text 'Delivery Truck'. Below the header, there is a form with the following fields:

- Truck Key: 21
- Description: Truck 21
- Crate Capacity: 100
- Cash Account: 10000084d
- Mobile Store: 21 Truck 21

A 'Save' link is visible in the top right corner of the form area. The bottom left corner of the browser window shows a small 'Se' icon.

### Slide 10

Slide notes: And the Mobile Store represents the Truck as a 'Store on the go', including any Stock Items being delivered during a Dispatch Delivery. The Truck can in fact act simultaneously as a Mobile Shop, and can sell Stock that it carries for this purpose.

The screenshot shows a web application window titled "IES Client(Q) v8.24 : My IES". The window has a menu bar with "Help", "Submit", "Quit", "Functions", and "Commands". Below the menu is a toolbar with icons for search, home, back, forward, and other navigation functions. The main content area has a blue header with the text "Delivery Truck". Below the header, there are several input fields and a "Save" button. The fields are labeled "Truck Key", "Description", "Crate Capacity", "Cash Account", and "Mobile Store". The "Truck Key" field contains the value "21". The "Description" field contains the value "Truck 21". The "Crate Capacity" field contains the value "100".
