Slide 1

Slide notes: We will now perform Order Transfers on this Dispatch. Note that for some Orders, we have already an indication of TRANSIT, while for others the Stock Transfer indicator says NO. The Dispatch cannot be performed, i.e. the Orders delivered until all Orders on the Dispatch says either TRANSIT or YES for the Stock Transfer status.

Slide 2

Slide notes: Any Orders we select now will initiate a Stock Transfer Transaction from the Warehouse to the Truck Store.

Slide 6

Slide notes: So that is what an Order Transfer is. The Stock Transfer can only be performed if sufficient Stock is available in the Warehouse, so we will often perform the Stock Availability report before we attempt the Order Transfers.
