Slide 1

Slide notes: On this Dispatch, we have Orders with NO and TRANSIT indicated for the Stock Transfer status. If the Warehouse are not the Packers of the Truck Store, then we will also have to process the Stock Releases to physically collect the Stock from the Warehouse.

Slide 2

Slide notes: Stock Release cannot be performed on the Dispatch Console. Instead, it is performed at the Warehouse, by a Warehouse Operator.

[Accept Return](#)

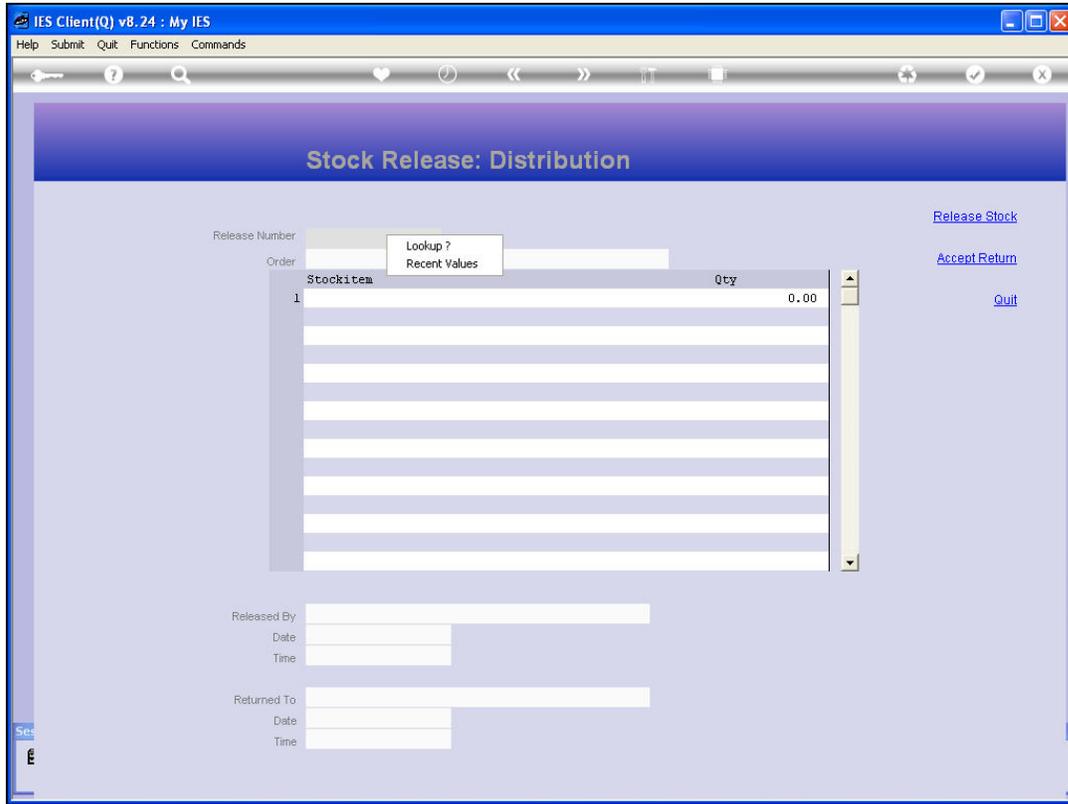

[Quit](#)

Slide 3

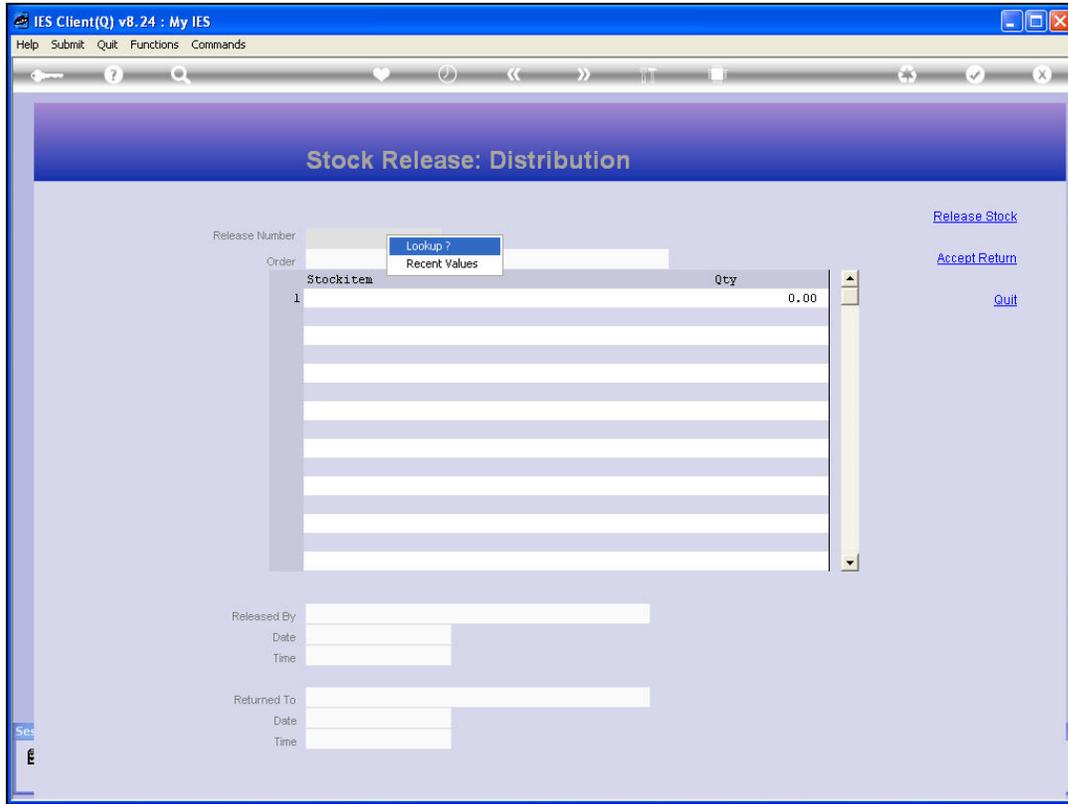

Slide notes: When we perform the Order Transfers, that process also creates a Stock Release item at the Warehouse, so the Warehouse Operator can just lookup any Stock Release for which we are collecting the Stock for packing.
