

Slide 1

Slide notes: We may define new Groups and maintain current Groups with the option found at File Maintenance.

The screenshot shows a web browser window titled "IES Client v8.29: My IES". The browser's address bar is empty, and the menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The main content area has a blue header bar with the text "Job Groups Master". Below the header, there is a "Save" link in blue text. The form contains two input fields: "Job Group" and "Description". Below these fields is a table with the heading "Job Types". The table has one visible row with the value "1" in the first column. To the right of the table is a vertical scrollbar. The background of the form is light blue.

Slide 2

Slide notes: We may have many Groups, but we need a minimum of 1, because all Jobs must belong to a Type and all Types must belong to a Group.

The screenshot shows a web application window titled "IES Client v8.29 : My IES". The browser's address bar is empty, and the menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The main content area has a light blue background and a dark blue header bar with the text "Job Groups Master". Below the header, there is a "Save" link in blue text. The form contains two input fields: "Job Group" and "Description". Below these is a table with the heading "Job Types". The table has a single row with the value "1" in the first column. To the right of the table is a vertical scrollbar.

Slide 6

Slide notes:

The screenshot shows a web application window titled "IES Client v8.29 : My IES". The browser's address bar is empty, and the page title is "Job Groups Master". The form has a light blue background. At the top, there is a blue header bar with the text "Job Groups Master". Below this, there is a "Job Group" field with the value "LDV" and a "Description" field with the value "LDV's". To the right of these fields is a "Save" button. Below the fields is a "Job Types" section with a table listing three job types: "LDVMAZ LDV Mazda", "LDVTOY LDV Toyota", and "LDVFOR LDV FORD". The table has a vertical scrollbar on the right side. The bottom left corner of the window shows a "Sc" icon.

Job Groups Master

Job Group: LDV

Description: LDV's

Save

Job Types

1	LDVMAZ LDV Mazda
2	LDVTOY LDV Toyota
3	LDVFOR LDV FORD

Slide 7

Slide notes: With Groups, we need only assign a Key and a Name. The Job Types will appear here automatically when they are so registered on the Job Type master.

The screenshot shows a web application window titled "IES Client v8.29 : My IES". The browser's address bar is empty, and the page title is "Job Groups Master". The form contains the following elements:

- Job Group:** A text input field containing "LDV".
- Description:** A text input field containing "LDV's".
- Save:** A blue hyperlink button.
- Job Types:** A table with a scrollable list of job types.

Job Types	
1	LDVMAZ LDV Mazda
2	LDVTOY LDV Toyota
3	LDVFORD LDV FORD

At the bottom of the table, there is a row of buttons: "Yes", "No", "Add", "Del", "Print", and "Exit".
