

Slide 1

Slide notes: We define new Cost Types and maintain current Cost Types with the option found at File Maintenance.

The screenshot shows a web application window titled "IES Client v8.29: My IES". The browser's address bar is empty, and the menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The main content area has a blue header bar with the text "Jobs: Cost Type Master". Below the header, there is a "Back" link in blue text. The form contains the following fields and controls:

- "Event or Cost Type Code": A text input field.
- "Description": A text input field.
- "Transaction Status": A dropdown menu with "Open" selected.
- "Internal Recovery": A checkbox.

A "Save" button is located in the bottom left corner of the form area.

Slide 2

Slide notes: A Cost Type is a Reporting sub account for Jobs, and any Cost Types may be used on multiple Jobs.

The screenshot shows a web application window titled "IES Client v8.29: My IES". The browser's address bar is empty, and the menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The main content area has a blue header bar with the text "Jobs: Cost Type Master". Below this, there is a form with the following fields and controls:

- A text input field labeled "Event or Cost Type Code".
- A text input field labeled "Description".
- A dropdown menu labeled "Transaction Status" with "Open" selected.
- A checkbox labeled "Internal Recovery" which is currently unchecked.
- A blue "Save" button located to the right of the form fields.

The background of the form area is a light blue gradient. There is a small "Save" button in the bottom left corner of the window frame.

Slide 3

Slide notes:

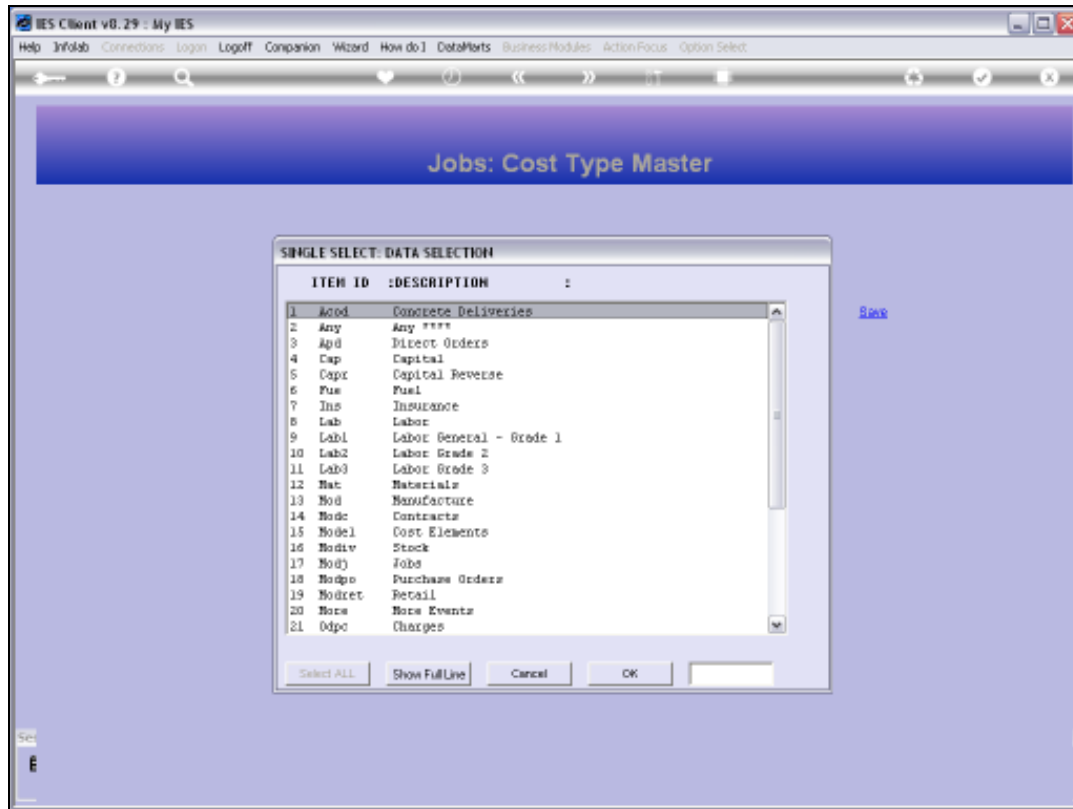

The screenshot shows a web browser window titled "IES Client v8.29: My IES". The browser's address bar is empty, and the menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The page has a blue header bar with the text "Jobs: Cost Type Master". Below the header, there is a search bar with a "Search" button.
