

Slide 1

Slide notes: The Human Resource Register for Jobs require Divisions, because Teams are registered to Divisions.

The screenshot shows a web browser window titled "IES Client v8.29: My IES". The browser's address bar is empty, and the menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The main content area has a blue header bar with the text "Human Resources: Division Master". Below the header, there are two input fields: "Division Code" and "Division Name". Below these fields is a table with a single column header "Terror" and a single row with the value "1". To the right of the table is a vertical scrollbar. Below the table, there is a blue link labeled "Save".

Slide 8

Slide notes:

The screenshot shows a web application window titled "IES Client v8.29: My IES". The browser's address bar is empty, and the page title is "Human Resources: Division Master". The form contains the following elements:

- Division Code:** A text input field containing the value "work".
- Division Name:** An empty text input field.
- Table:** A table with a single column and one visible row. The row contains the value "1". The table has a scrollable area with multiple empty rows below the first one.
- Save:** A blue hyperlink button located at the bottom right of the form.

The background of the application is a light blue gradient.

Slide 9

Slide notes:

The screenshot shows a web application window titled "IES Client v8.29: My IES". The browser address bar shows "http://localhost:8080/ies/". The page has a blue header with the text "Human Resources: Division Master". Below the header, there are two input fields: "Division Code" with the value "01" and "Division Name" with the value "Workshop". Below these fields is a table with the following data:

Team	
1	0101 Electrical Engineers
2	0102 Artisans
3	0103 Laborers

Below the table is a row of buttons: "Yes", "No", "Add", "Save", "Print", and "Delete". To the right of the table is a "Save" button. The bottom left corner of the window shows a "Save" button and a small icon.

## Slide 10

Slide notes: We can choose our own Key, and a 2 digit Key is usually sufficient. We also give a Division a Name. The Teams appear here automatically when the Division is registered on a Team record.
