

Slide 1

Slide notes: A Job Statement for a single Job can be printed from the Job Master screen, and can also be selected at the Report options.

The screenshot shows the IES Client v8.29 application window. The title bar reads 'IES Client v8.29 : My IES'. The menu bar includes 'Help', 'Submit', 'Quit', 'Functions', and 'Commands'. The toolbar contains icons for back, forward, search, and other navigation functions. The main content area displays a dialog box titled 'Values to use for Job Report'. This dialog box has four input fields: 'Type' with the value 'Jstate', 'Period From' with the value '118', 'ForTo Period' with the value 'Nov 2010 (p 118)', and 'Job Key' which is empty. Below these fields are two buttons labeled 'Edit' and 'Next'. At the bottom of the application window, a status bar shows 'Session Info: Tim is using IES'. The taskbar at the very bottom includes icons for 'Jobs', 'Application Wizard', 'Job Master Statement Print', and 'JSTATE', along with a system clock showing '2010/11/13 10:40:53'.

Field	Value
Type	Jstate
Period From	118
ForTo Period	Nov 2010 (p 118)
Job Key	

Slide 2

Slide notes:

The screenshot shows the IES Client v8.29 application window. The title bar reads "IES Client v8.29 : My IES". The menu bar includes "Help", "Submit", "Quit", "Functions", and "Commands". The toolbar contains icons for back, forward, search, and other navigation functions. The main content area has a light blue background with a dark blue header bar that says "Values to use for Job Report". Below this, there is a form with the following fields:

Type	Jstate
Period From	118
ForTo Period	Nov 2010 (p 118)
Job Key	

Below the form, there are two buttons: "Edit" and "Find". At the bottom of the window, there is a status bar that says "Session Info: Tim is using IES". The taskbar at the very bottom shows icons for "Jobs", "Application Wizard", "Job Master Statement Print", and "JSTATE", along with the system clock showing "2010/11/03 10:40:54".
