

Slide 1

Slide notes: Man Gangs are essential for Man Physicals processing. The attendance records and the Man Journals populate Employees automatically onto the record after selection of the Gang.

The screenshot shows a web application window titled "IES Client v8.36: My IES". The window has a menu bar with "Help", "Submit", "Quit", "Functions", and "Commands". Below the menu bar is a toolbar with icons for search, help, and other functions. The main content area is titled "Man Resource Gang".

On the right side of the form, there are two buttons: "Save" and "Quit".

The form fields are as follows:

- Gang Key |
- Name
- Division
- Type: 1: Small Group (dropdown menu)
- Supervisor Level 1
- Supervisor Level 2
- Supervisor Level 3

Below these fields is a table titled "Man Resources (Employees)". The table has one row with the value "1".

At the bottom left of the window, there is a small status bar with the text "Ses" and a small icon.

Slide 8

Slide notes: The group categorisation does not have any effect other than organisation of our Gangs. 'Small Group' is the common usage for groups of Employees that work together on Activities, while 'General Group' is usually only used to group together a number of Employees where Harvest Bonus or some other calculation is relevant.
