

Slide 1

Slide notes: To browse the Report Warehouse means only that we make choices of the Reports that we want to see. That is all.

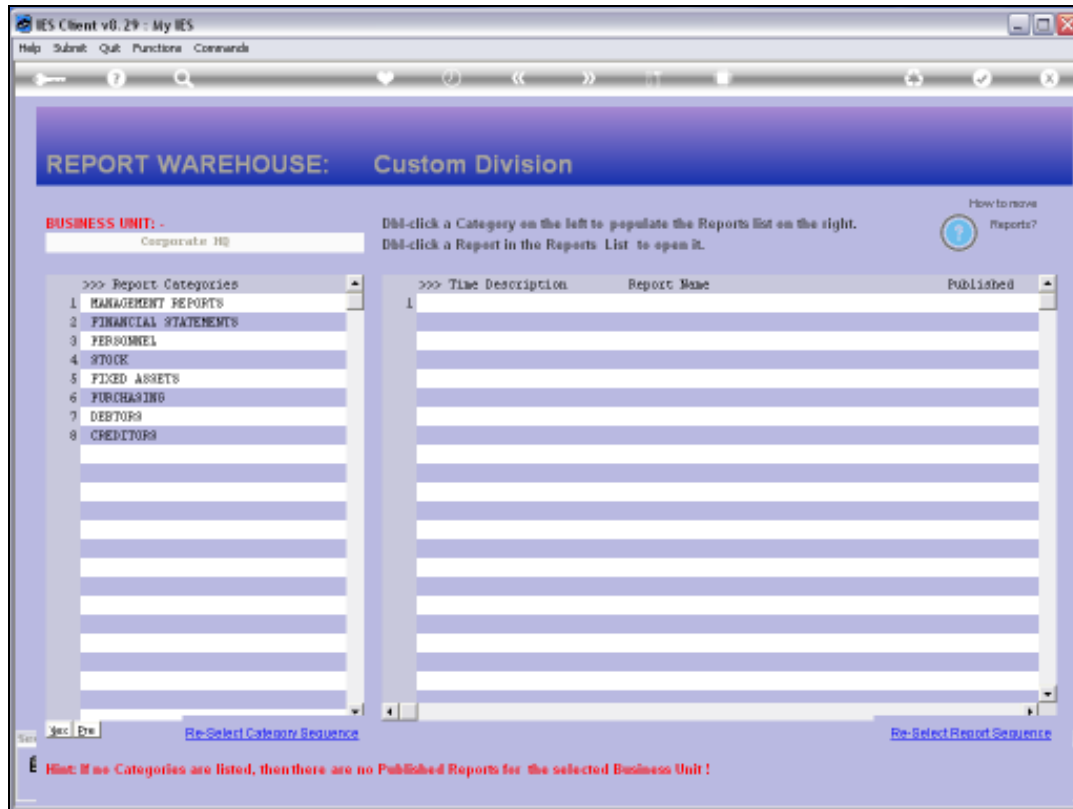

Slide 2

Slide notes: We select a Business Unit by dbl-clicking on it.

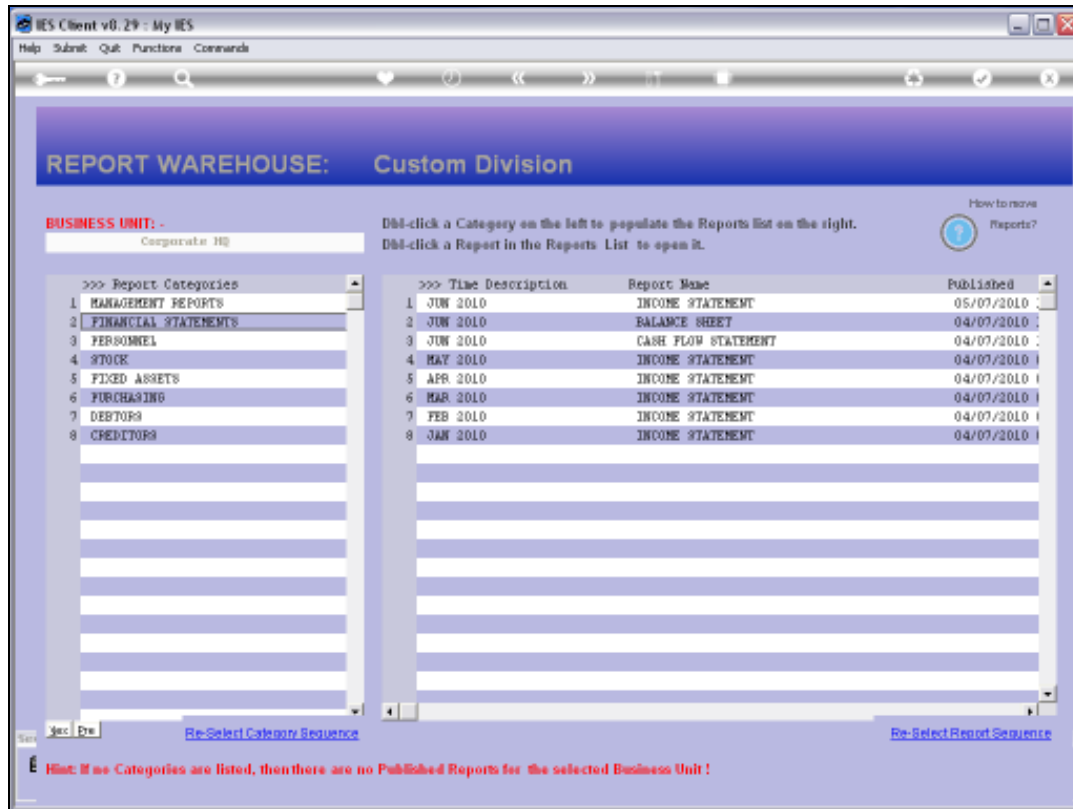

Slide 3
Slide notes:

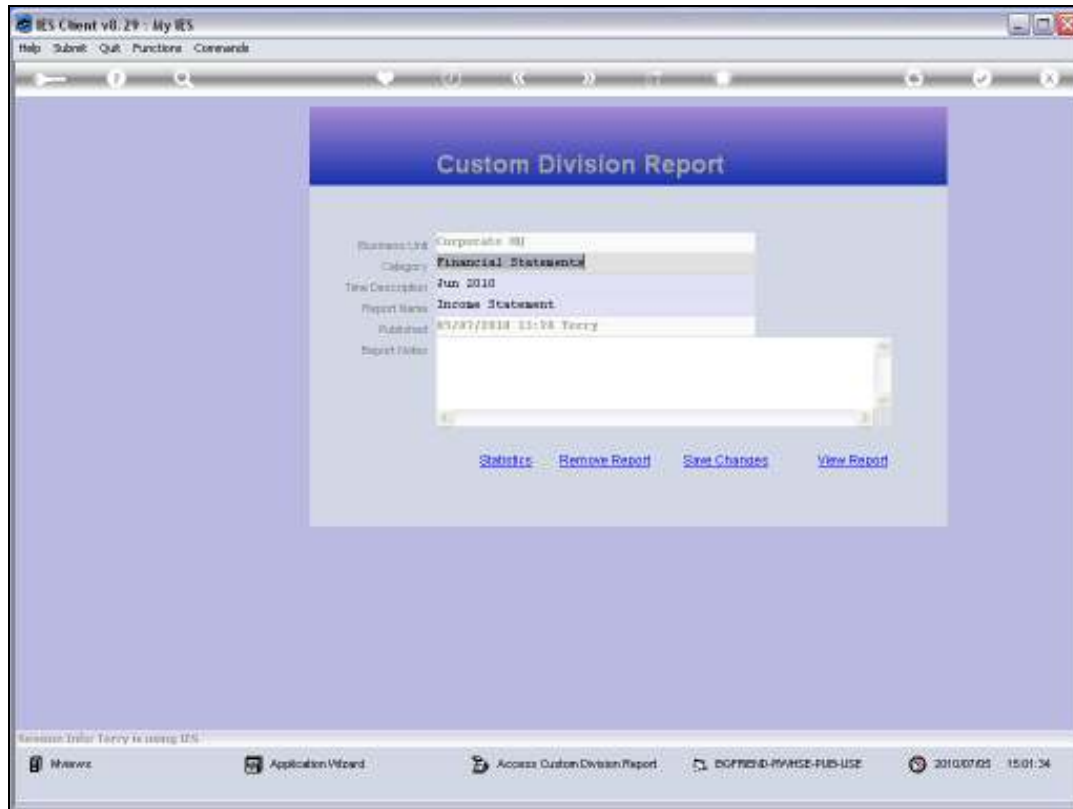

Slide 4

Slide notes: In a Business Unit we dbl-click a Report Category to select it, which results in the available published Reports being populated on the right.

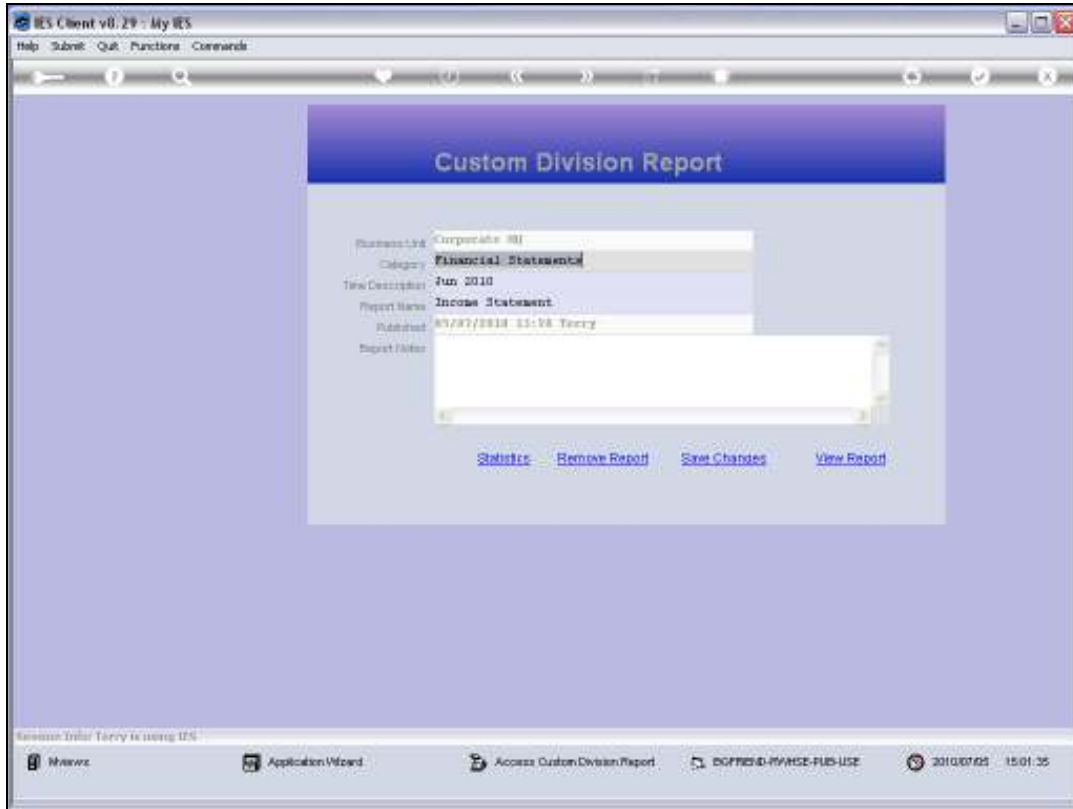

Slide 5

Slide notes: And we select a Report for viewing by dbt-clicking on it.

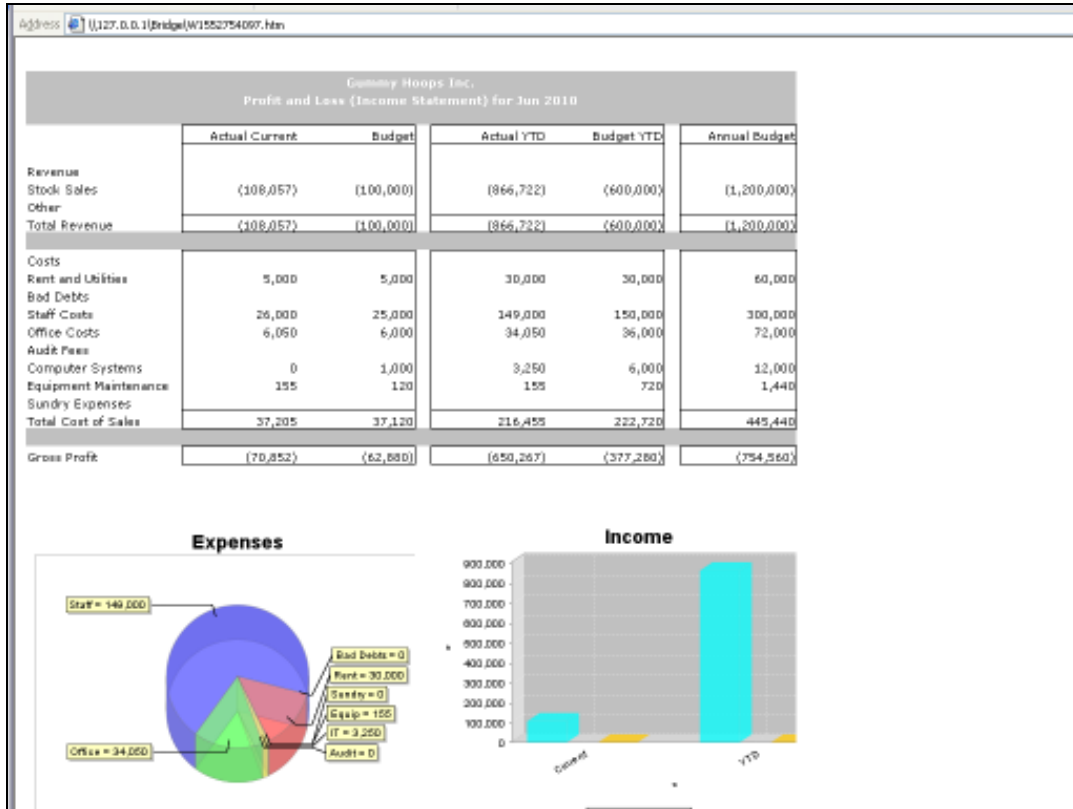

Slide 6

Slide notes: To view the Report, just choose the 'view' option.

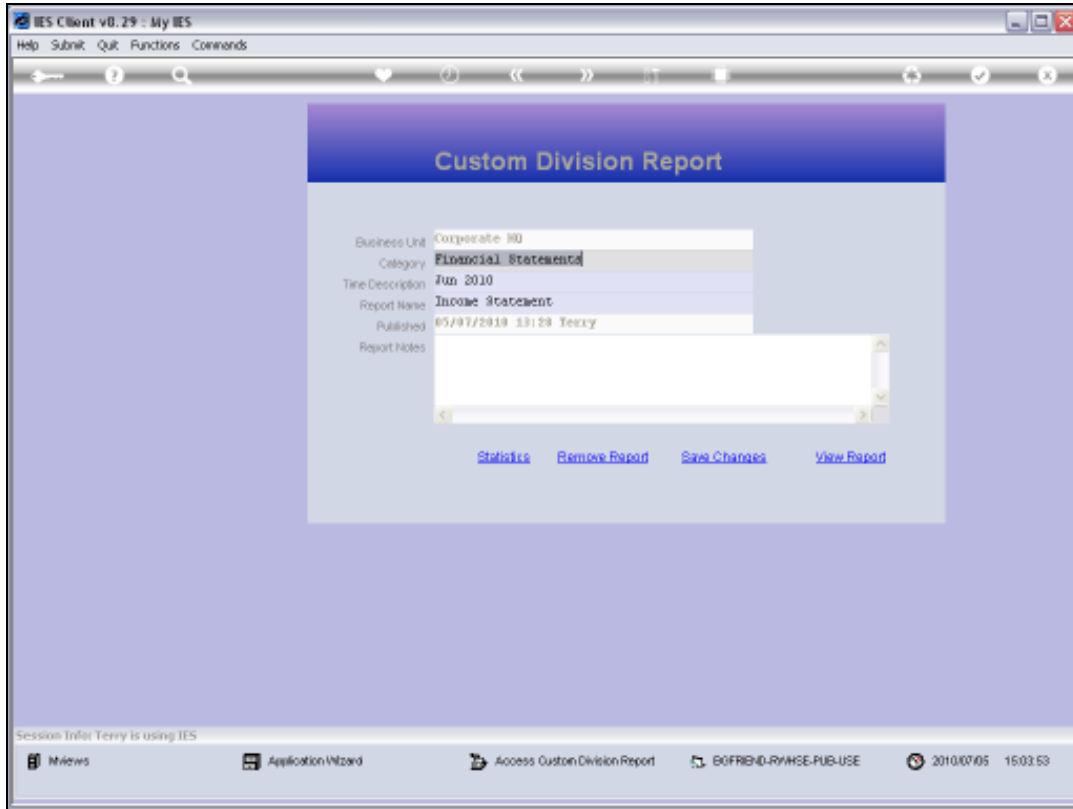

Slide 7
Slide notes:

Slide 8

Slide notes: The report is opened immediately for viewing. There are no other steps, because the Reports have already been performed and published before. Now, it is a matter of selecting the Report, and open it for viewing.

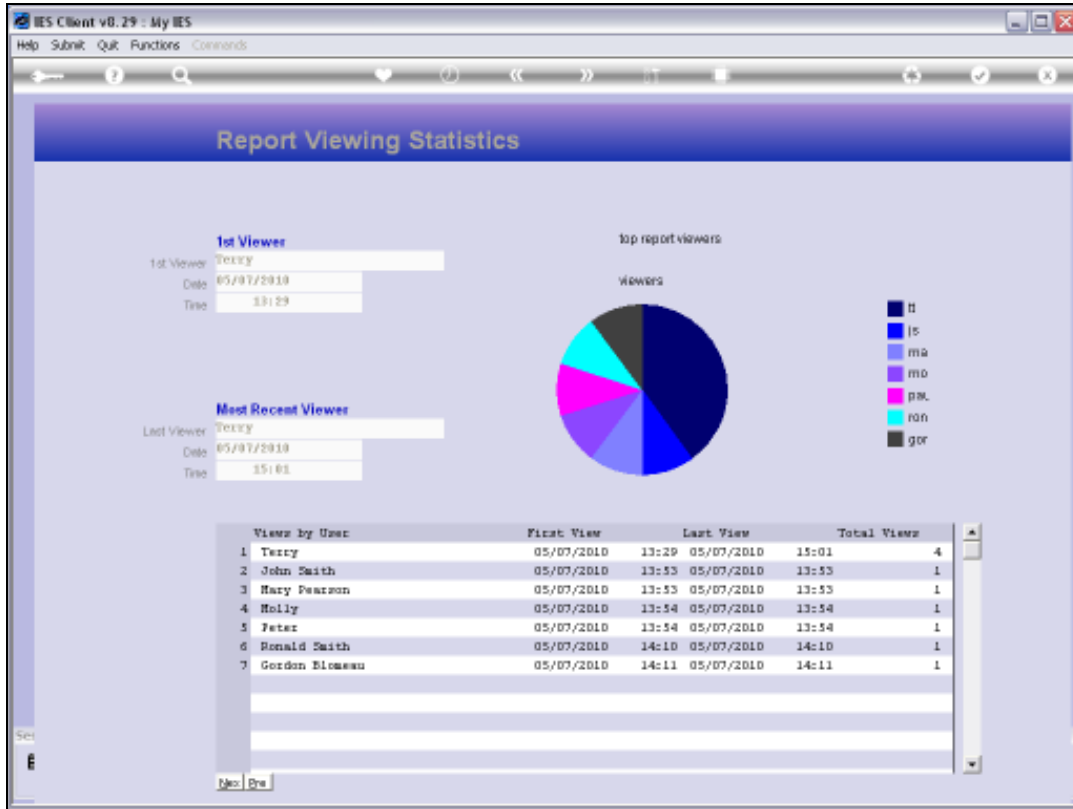

Slide 9

Slide notes: For any Report, we may also view the statistics.

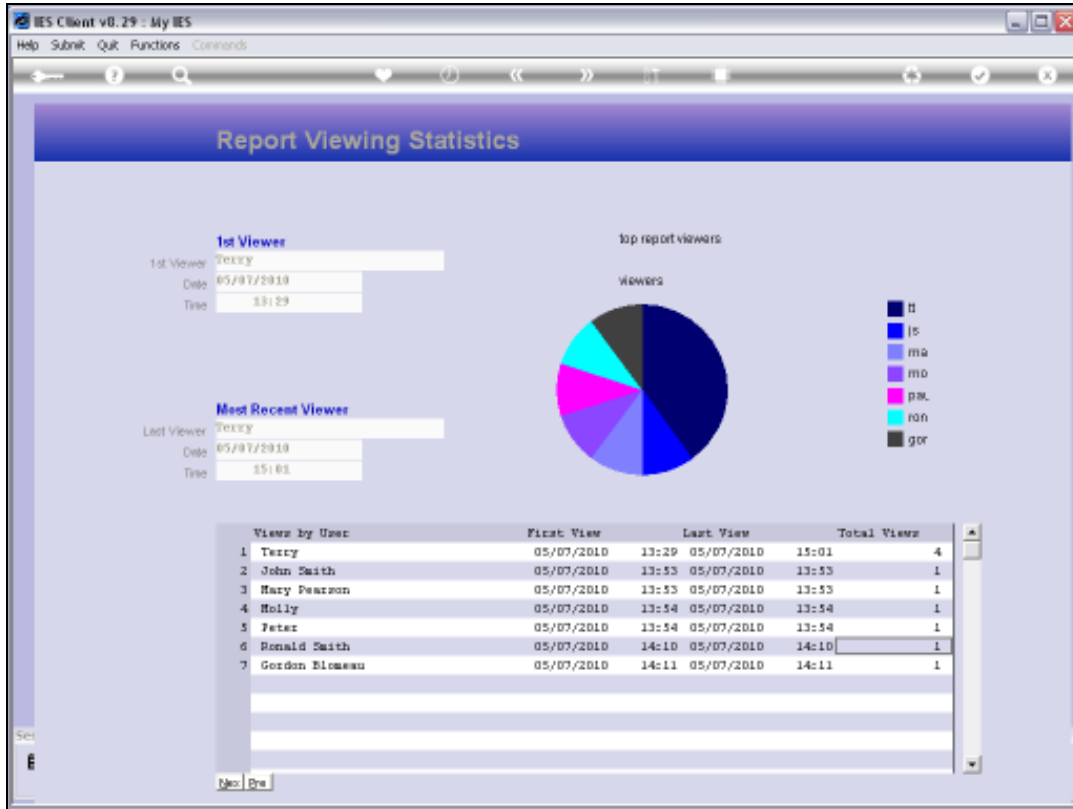

Slide 10

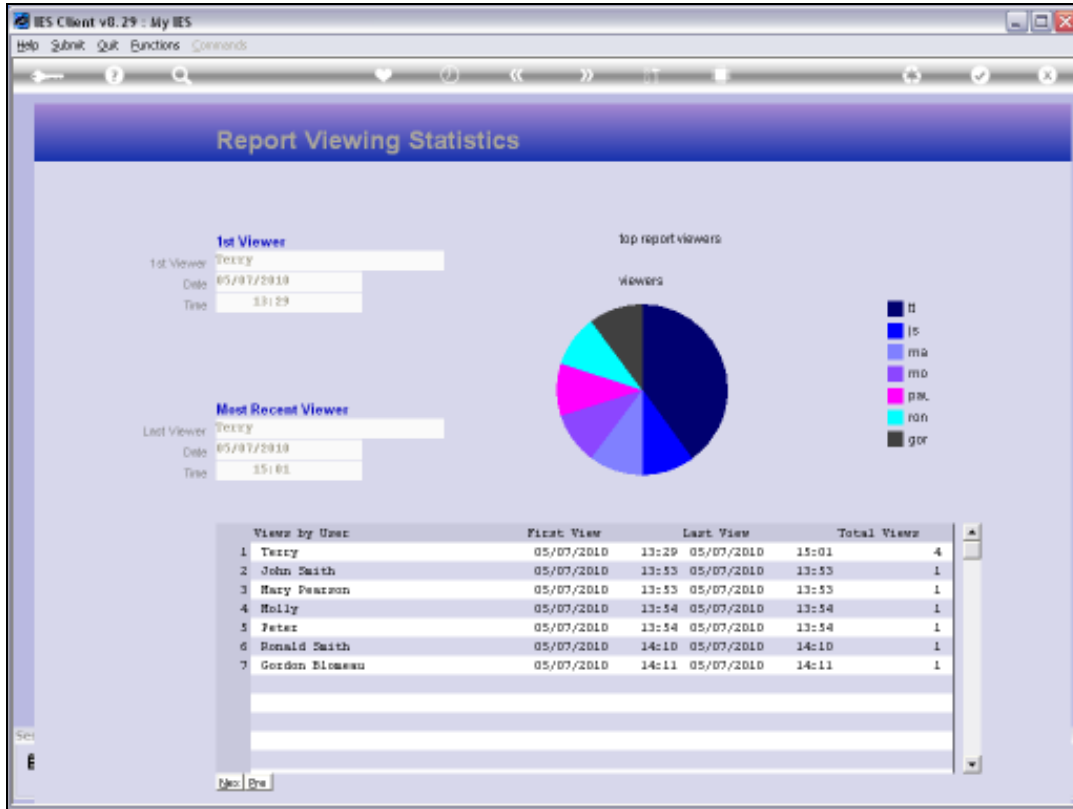

Slide notes: The statistics reveal all viewings of the Report. All Users that have seen this Report are listed, together with first and last and number of views.
