Slide 1

Slide notes: GL Management Reports can be deleted from the Writer Screen, but we also have a mass function to delete many Reports in 1 step.
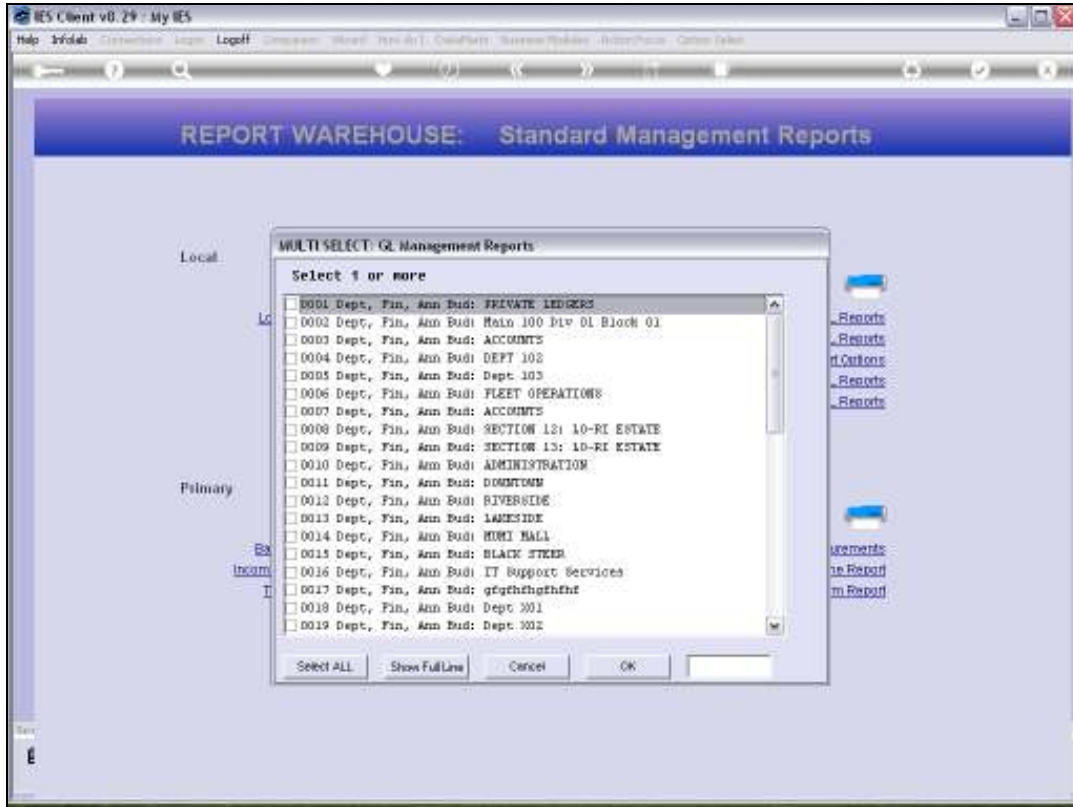

Slide 2

Slide notes: When GL Reports are deleted, the system will also check the Publication Report Library for the presence of such Reports and delete them there as well.

Slide 6
Slide notes: In this example, we will delete all the GL Reports now.

Slide 7

Slide notes: So, if we try to delete GL Reports again, there should be none to delete.
