Slide 1

Slide notes: In a new installation of IES, it is necessary to register a User Code called "infolabc" in the QM Database. We use a Console Session to do this.

Slide 2

Slide notes: The command "WHO" will confirm whether we are in the right place. We need to be in the QMSYS Account.
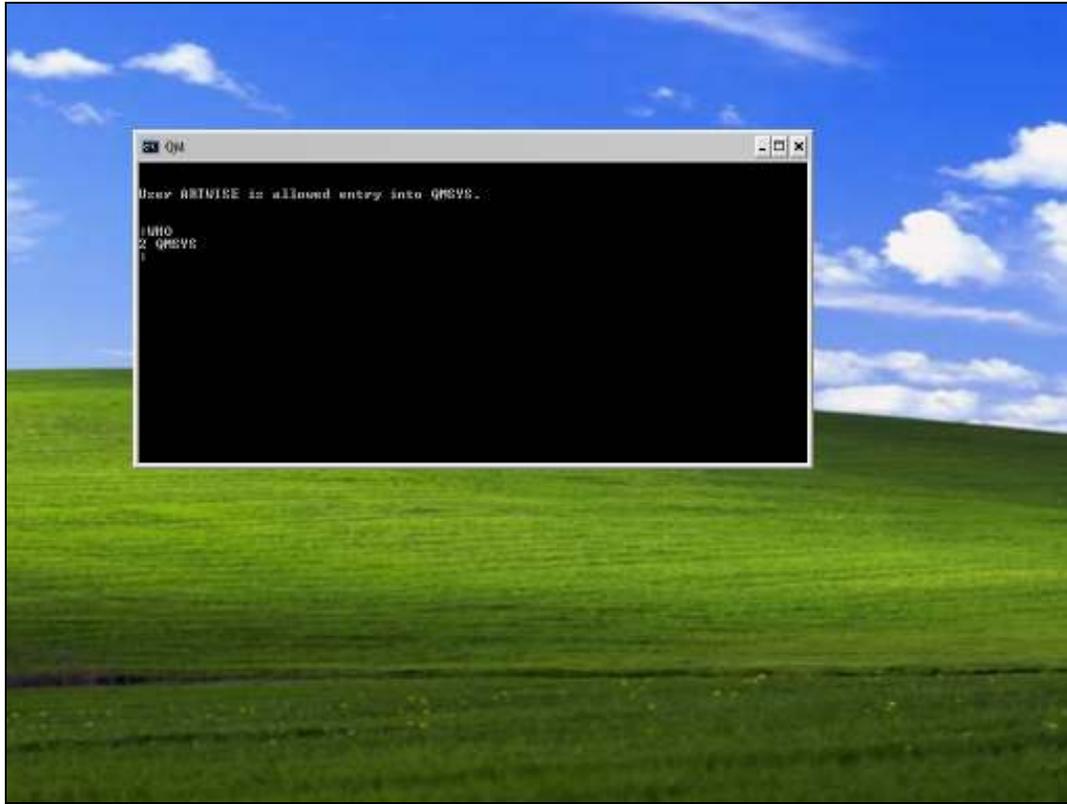

Slide 3

Slide notes: And as we can see, we are in the right place. When we issue the command "LIST.USERS" in a new installation, there is only 1 User so far, called "Console".
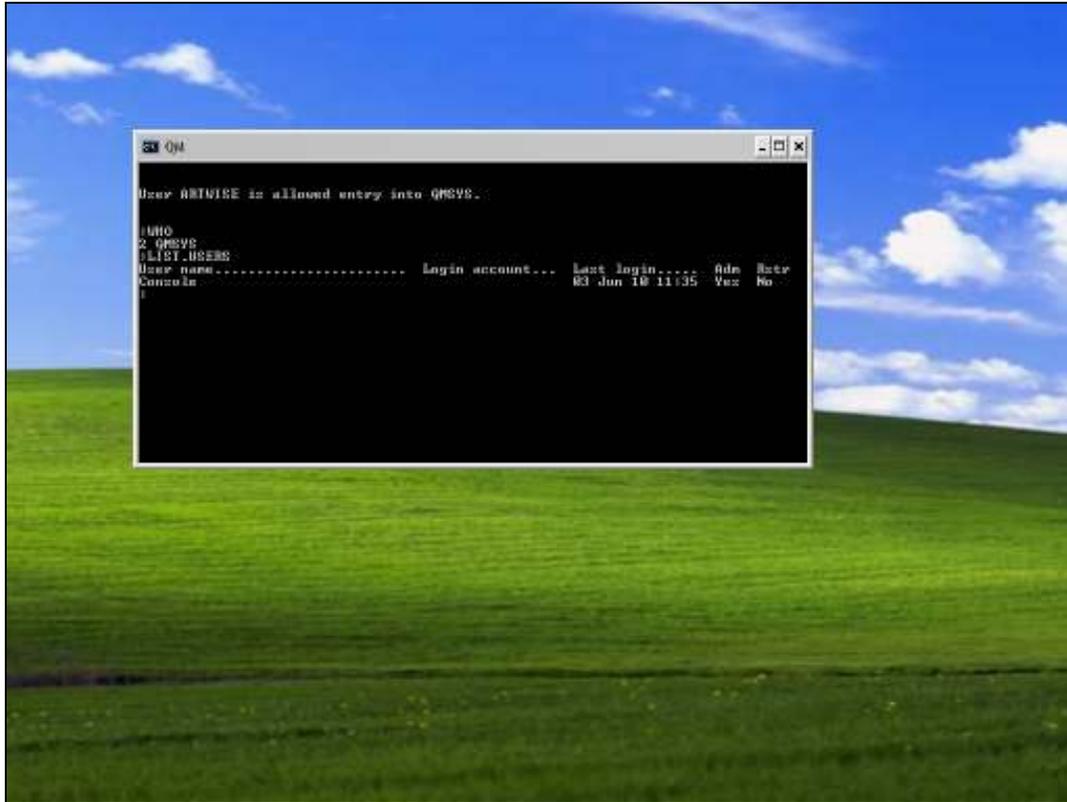

Slide 4

Slide notes: To create a new User Account, we use the "ADMIN.USER" command.
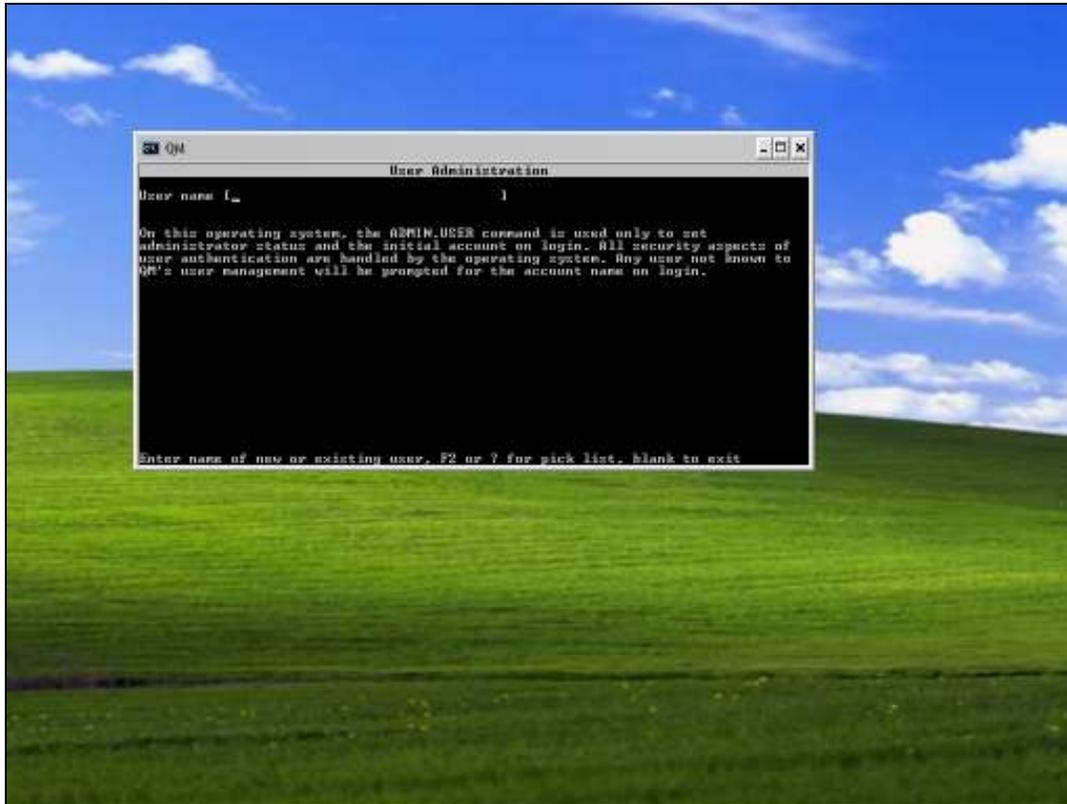

Slide 5
Slide notes: The User to create is INFOLABC.
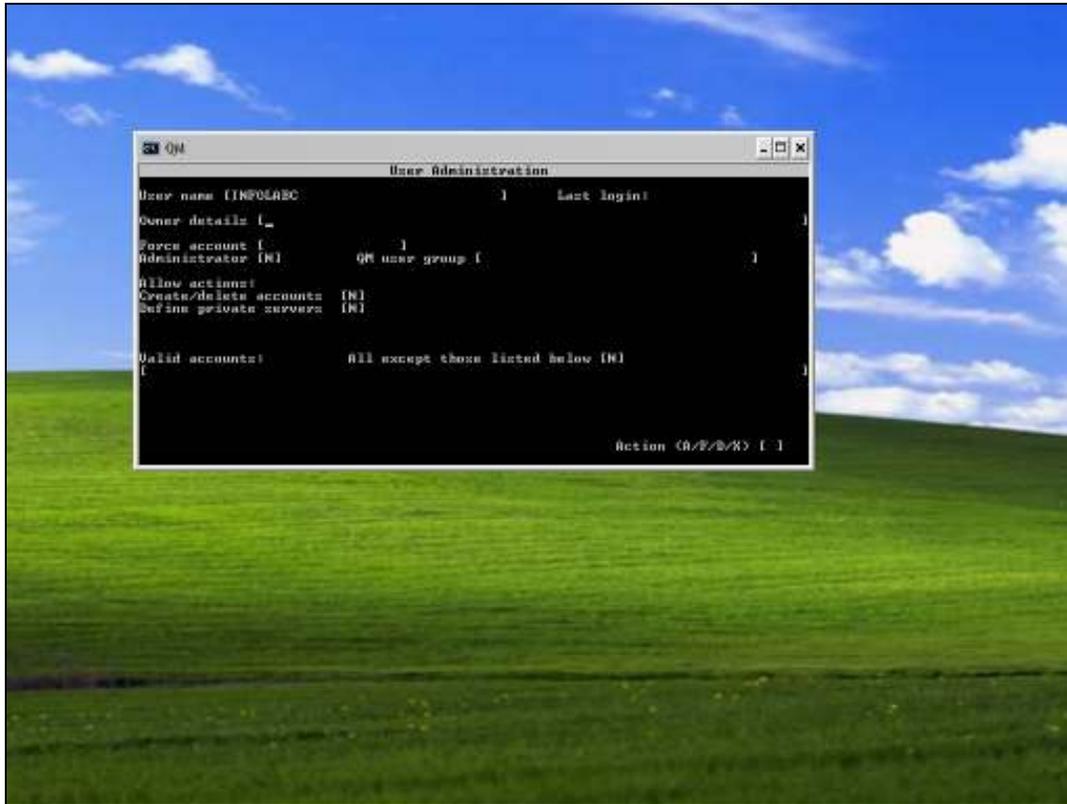

Slide 6

Slide notes: The owner is also INFOLABC.
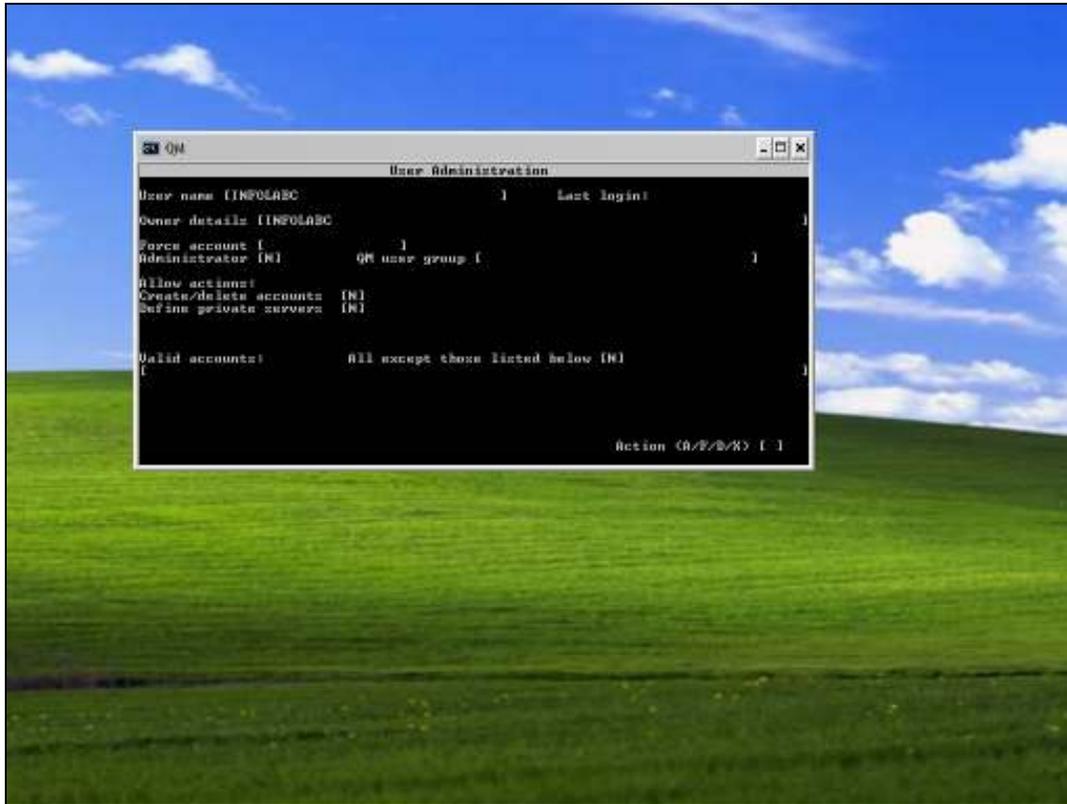

Slide 7

Slide notes: 'Force Account' MUST be null.
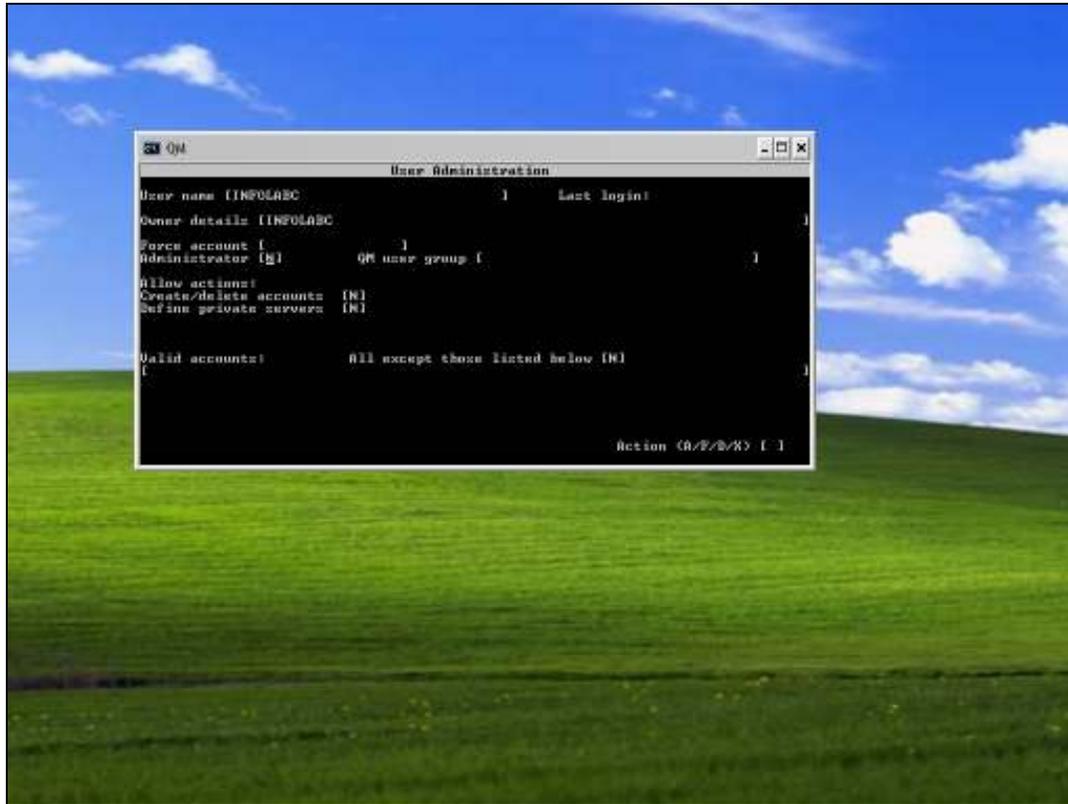

Slide 8
Slide notes: Administrator is "Y".
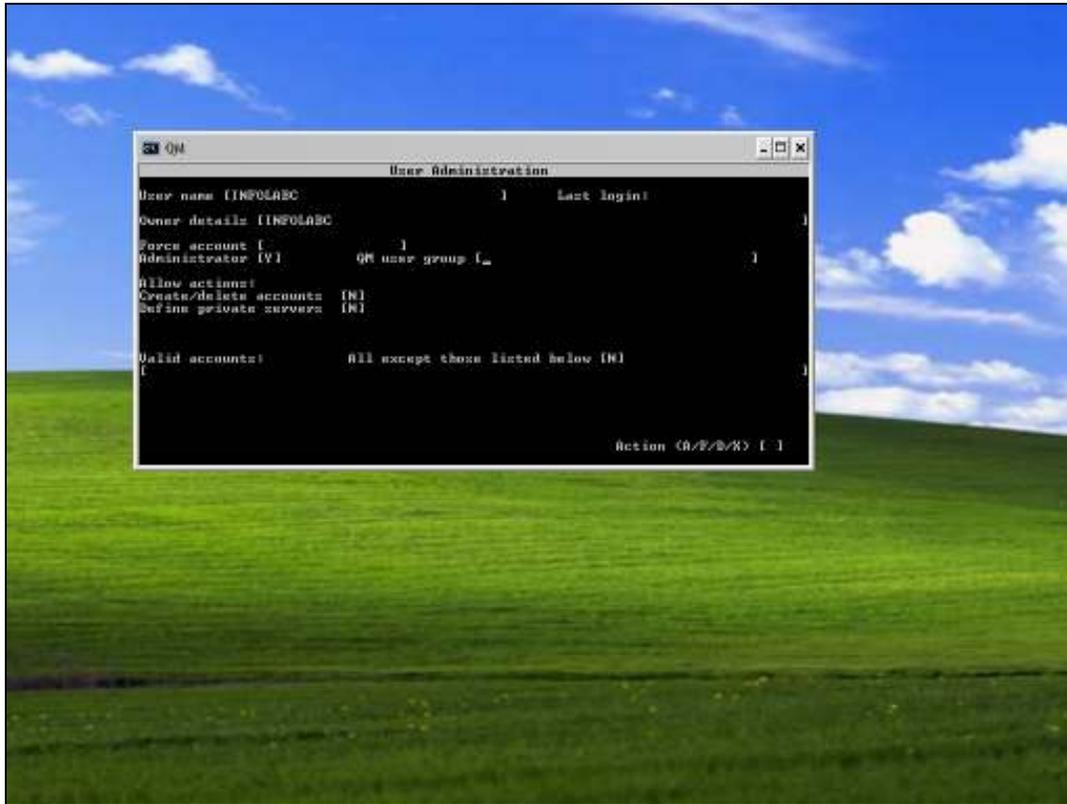

Slide 9

Slide notes: User Group is NULL.
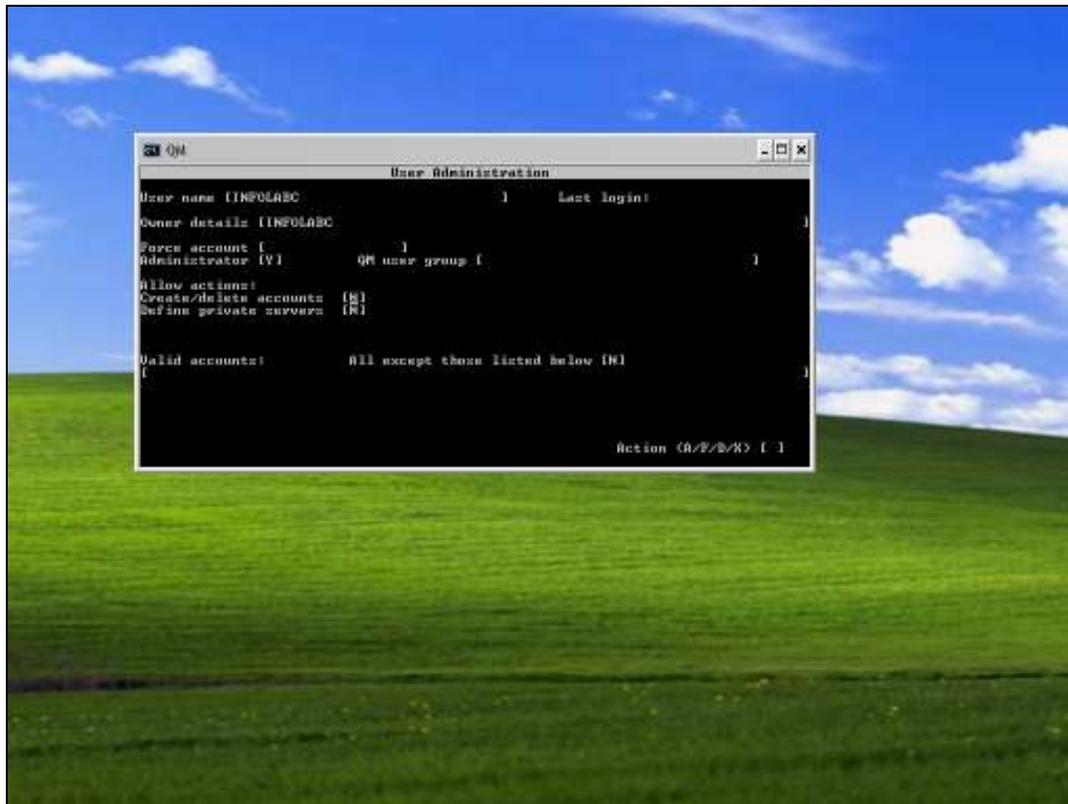

Slide 10

Slide notes: Create/Delete Accounts is "Y".
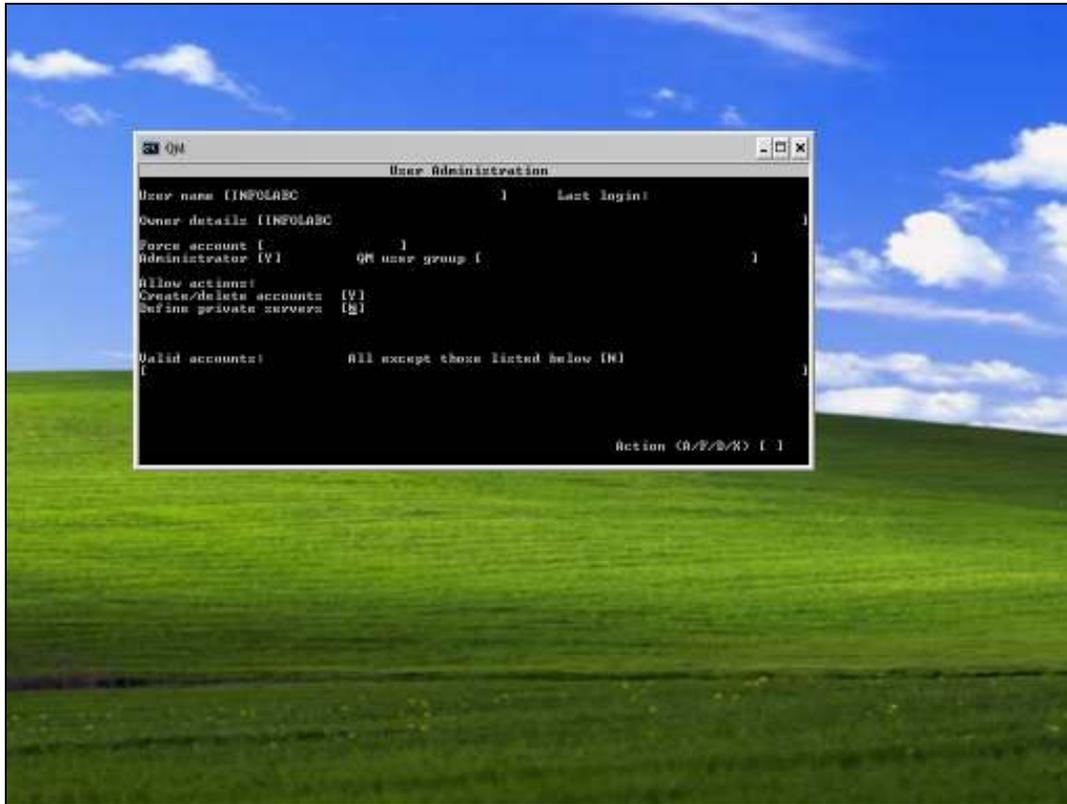

Slide 11

Slide notes: For the rest of the fields, just press ENTER until we get to the end.
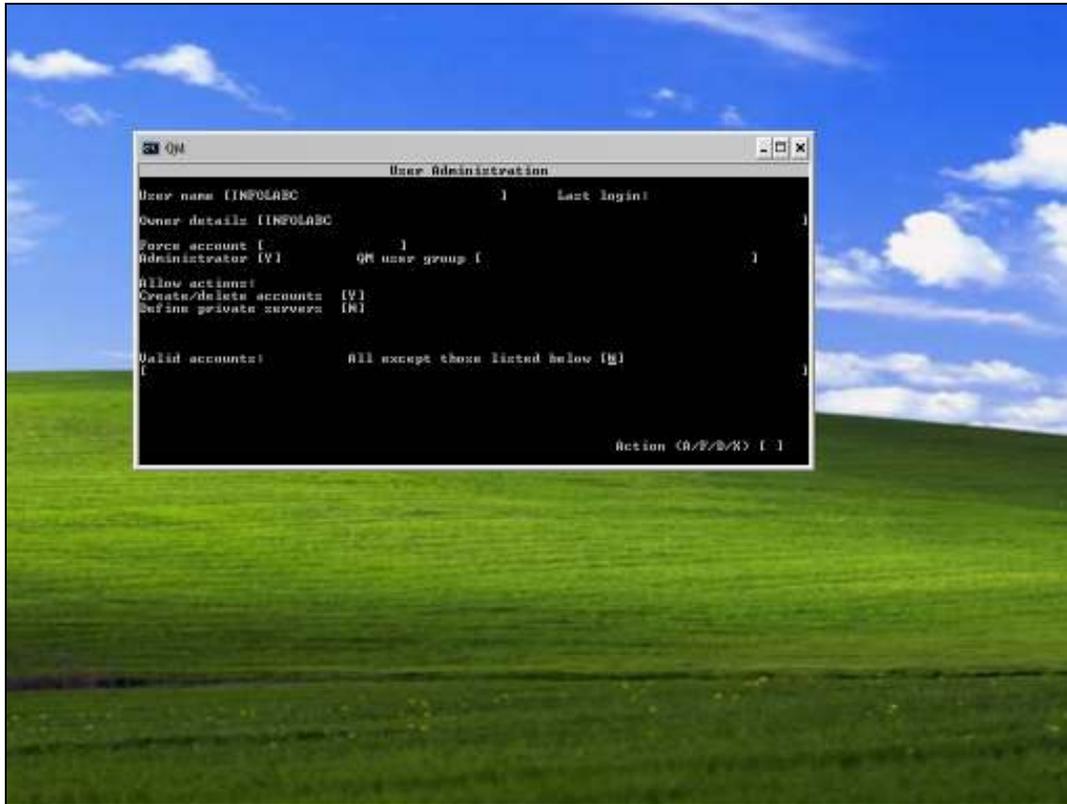

Slide 12
Slide notes:
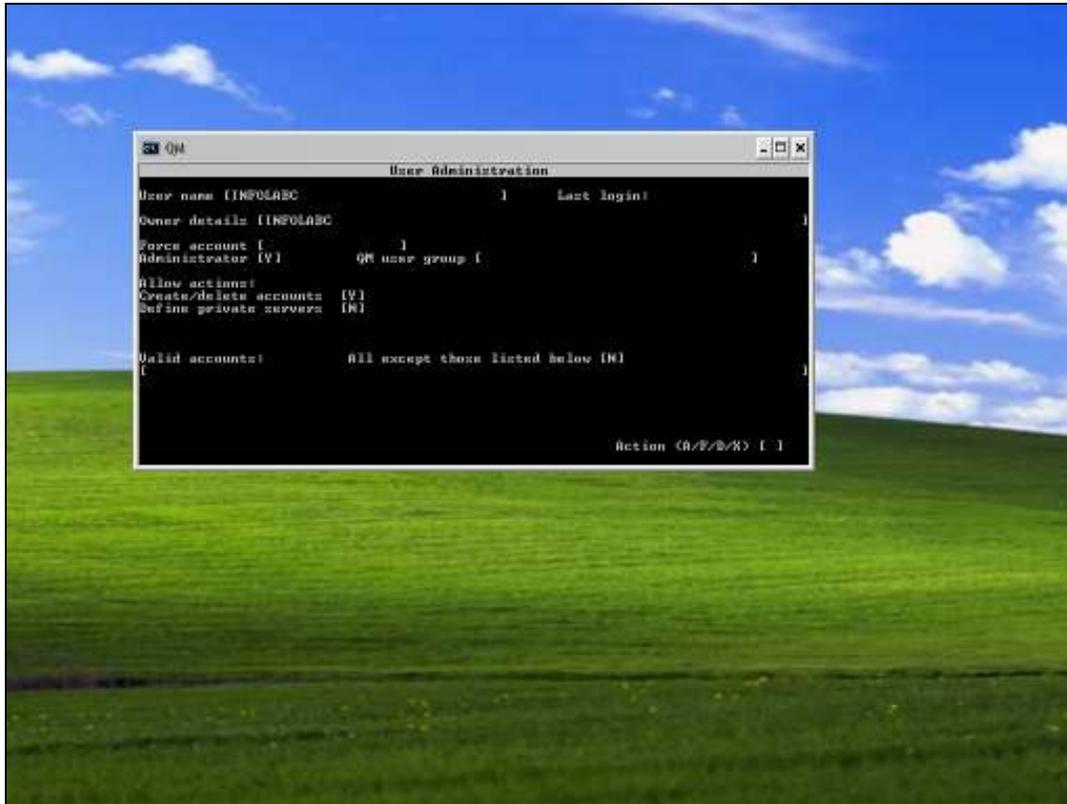

Slide 13
Slide notes:
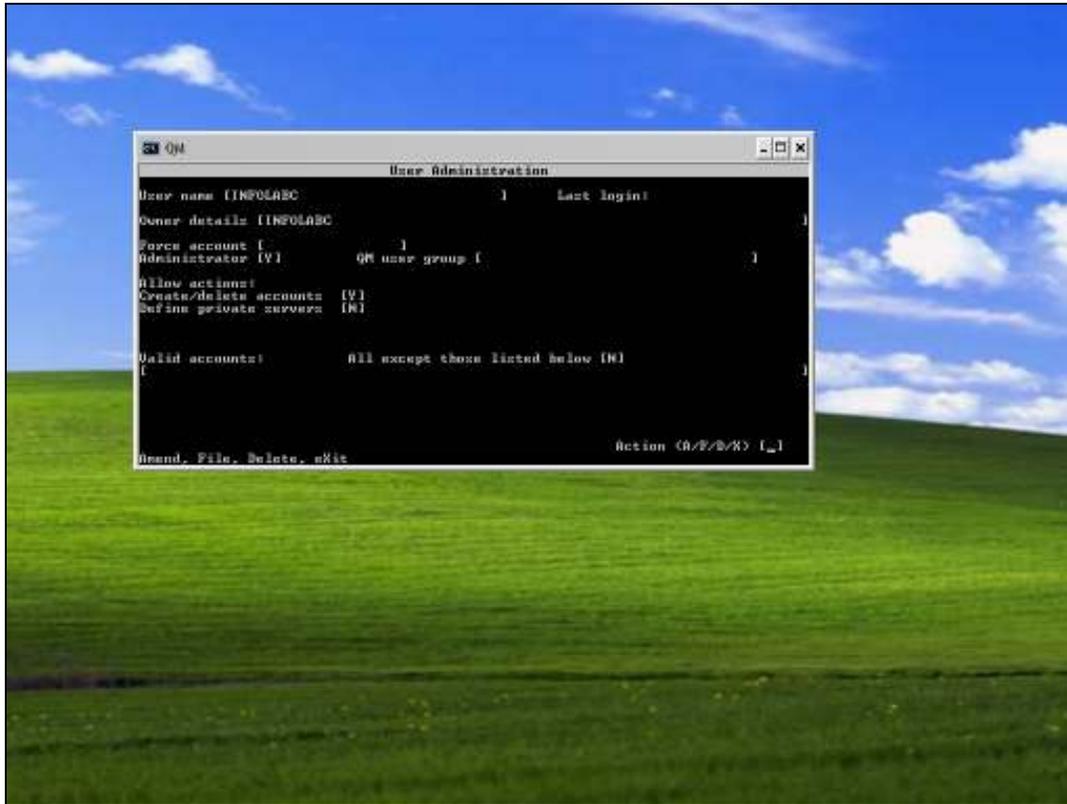

Slide 14
Slide notes: And then choose "F" to file the item.
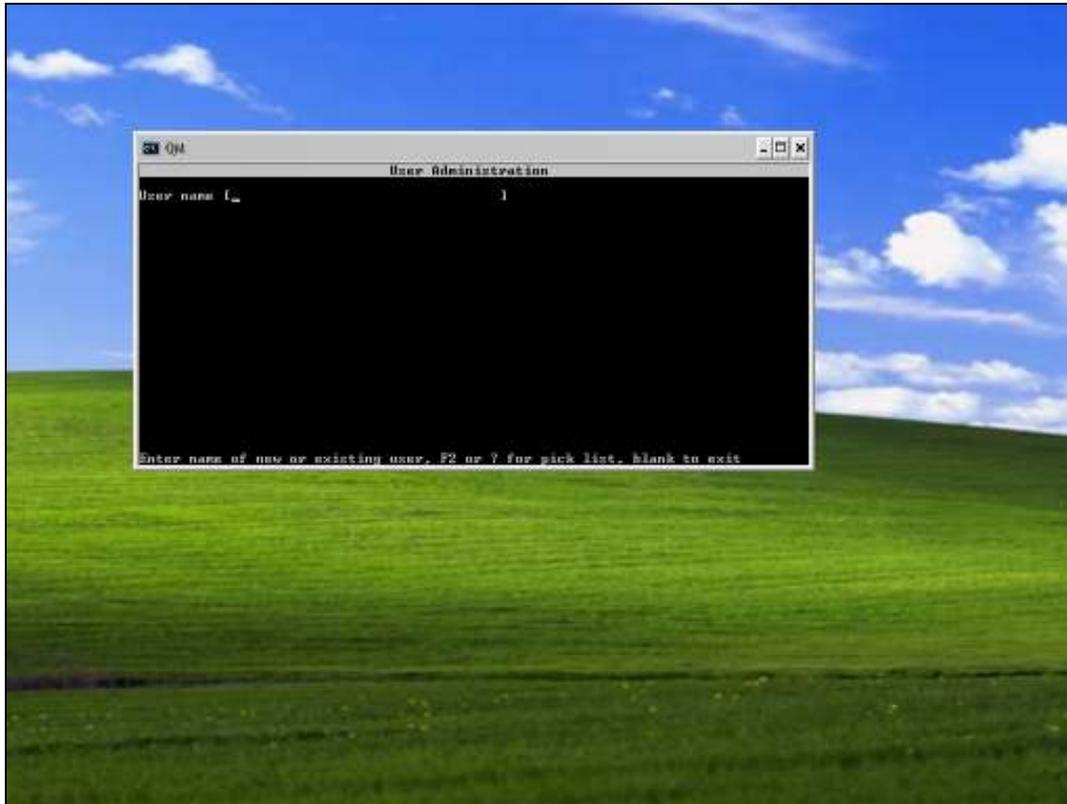

Slide 15
Slide notes: Now just press ENTER to exit.

Slide 16
Slide notes: If we do "LIST.USERS" now, then the INFOLABC User Code is present.
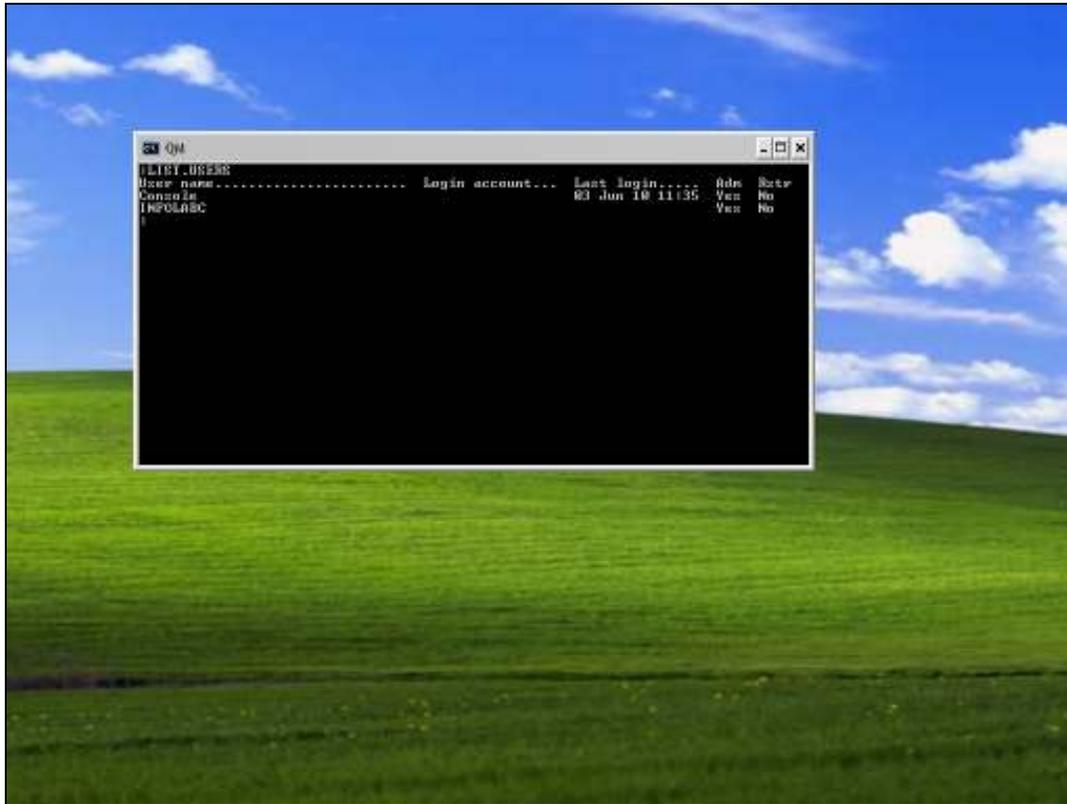

Slide 17
